

Uracan Resources Joins the “AGORACOM 100” and Launches Online IR and Marketing Program

Vancouver, Canada - September 14, 2009 - **Uracan Resources Ltd.** (the 'Company') (TSX.V: URC) is pleased to announce it has retained the services of AGORACOM Investor Relations ("AGORACOM") (<http://www.agoracom.com>) to provide online investor relations services, a Web 2.0 social network for current investors and Tier-1 awareness through the world's biggest websites for the purpose of attracting new shareholders.

AGORACOM Investor Relations is an independent company, located in Toronto and owned by George Tsiolis. The terms of the agreement are as follows: Duration - 12 months. Monthly Cash Compensation - \$3,000 plus GST and 250,000 Incentive Stock Options at \$0.30 with a 5 year term subject to a 12 month vesting schedule.

Effective immediately, a customized and monitored Uracan Resources IR HUB will be available on AGORACOM at (<http://agoracom.com/ir/UracanResources>). Investors are asked to visit our IR Hub where they can post questions and receive answers in a timely manner, or simply review questions and answers posted by other investors.

The IR HUB (<http://agoracom.com/ir/UracanResources>) will allow Uracan Resources to communicate with all investors simultaneously, anytime and in near real-time. This investor centric HUB will provide Uracan Resources management with the ability to extend communications beyond text via audio messages, video presentations, webcasts and podcasts. In addition to traditional e-mail, investors will also have the ability to receive all communications via RSS feed.

The Uracan Resources IR HUB propels the Company into the forefront of Web 2.0 community building by providing investors with two very important functions. First, a monitored discussion forum for the purposes of constructive and high-quality discussion amongst investors that is free of spam, profanity and misinformation.
